

Registration Form 'c2c – Novel Quantum and Functional Materials'

This registration form has to be filled in English. All fields marked with '!' are mandatory. Please send the completed registration form via email to c2c@fkf.mpg.de.

Note that you cannot change your data once they are submitted. For changes please contact the symposium organizers via c2c@fkf.mpg.de. After submission of the registration form, you will receive an electronic confirmation to the email address you have provided.

Registration Fee

There will be no conference registration fees.

However, registration using the registration form is mandatory for all the attendees.

Cancellation Policy

In case you cannot attend the symposium and you have already registered, please inform the symposium organizers via c2c@fkf.mpg.de.
