

Spectroscopies in Novel Superconductors

June 19 – 24, 2016

Conference Forum Schlosspark near Ludwigsburg Palace

Stuttgart / Ludwigsburg
Germany

SNS
2016

SCOPE

SNS 2016 will continue an illustrious series of international conferences in Argonne (1991), Sendai (1992), Santa Fe (1993); Stanford (1995), Cape Cod (1997), Chicago (2001), Sitges (2004), Sendai (2007), Shanghai (2010), and Berkeley (2013). The meeting will bring together leading experts in spectroscopy, transport, materials discovery, and theory to address current challenges at the frontier of research on superconductivity.
