
We invite female postdoctoral scientists in an early career stage (up to 2 years after obtaining the PhD degree) to apply for the Elisabeth Bauser Postdoc Fellowship. The fellowship guarantees the full funding for a postdoctoral contract for up to two years.

Applications can be made via email to cmsfp@fkf.mpg.de containing the following documents:

- Your CV
- Complete list of your publications
- Certificate of your doctoral degree
- Motivation letter indicating your research interests and experience (max. 2 pages)
- Your ideas for research to be conducted at MPI-FKF and the envisaged department or research group which should host you
